Damian Ferrie
Chief Executive Officer, Better Health Network

Damian Ferrie has a passion for working with organisations who want to make a difference to society. With a lifelong commitment to social justice, he is delighted to be appointed to the role of Chief Executive Officer of the newly formed BHN Better Health Network.

Damian brings significant experience working in Executive roles in both the public and community sectors in Victoria and New South Wales. For the past 10 years he has led Star Health to be a highly regarded and effective organisation. He is especially proud of the work Star Health has undertaken by engaging with and supporting vulnerable members of the community, particularly during the past two years of the pandemic.

Damian is a highly regarded social and community services leader within the State and is currently the Chair of the Victorian Council of Social Services and the Chair of Mental Health Victoria. BHN Better Health Network is the newly formed organisation following the voluntary amalgamation of Star Health, Connect Health & Community and Central Bayside Community Health Services.
